

Owls Tutoring Registration Information

Owls Tutoring is a free, after-school tutoring program where children in JK-Gr. 8 receive one-on-one tutoring for 45 minutes with a high school student. Please bring your homework with you!

Tutoring is open to all children, whether or not they are enrolled in traditional school and whether or not they have a library card, so please share this information amongst the community so that we can support the learning of our students! Tutoring begins Oct. 14th!

Please read the following information carefully before clicking through to register.

There are some changes to our tutoring program this year! This year, **we have 5 tutors** who will be offering spots on Tuesday, Wednesday, and Thursday after school from 3-6pm, and on Saturdays between 10:30am and 4pm. When you register, you will be registering for the same time & tutor each week for a 10-week session. Tutoring will take place in the second-floor programming room this year to facilitate physical distancing. Please bring your homework with you!

Booking/Registration

- To book, click the blue "register!" button below; then click the green circle with the plus sign at the bottom right-hand side of the page.
- You will need to enter your e-mail address (and this will be handy as you will receive reminders about your booking!).
- You will then need to select the first day of tutoring (in the week of Oct. 14-17, or on Oct. 20) and select your time. *Be sure to make your session time 45 minutes or it will not allow you to book.*
- You will also need to select "repeat weekly" from the drop-down menu. In order to book for the full Fall session, please select "end after" and type in 10 - this will set your session

to end the week of Dec. 16th. If you are booking for Tuesday evenings beginning on Oct. 20, end after 9 sessions.

- Finally, from the "spaces" drop-down menu, select your tutor. You will also need to type in your child's first name and grade into the box at the bottom.
- This process will need to be repeated for each individual child.
- Please only book one session per week at this time so that more children may have the opportunity to benefit from this service.

Safety

Please know that we take your child's safety and wellbeing very seriously, and as such, we have increased cleaning protocols in place between sessions. This is why sessions are now 45 minutes. On that same note, if circumstances change prior to October 14th, the library may need to modify its current services including Owls Tutoring. **If there are any changes to Owls Tutoring, you will be notified using the email you used to register.**

Please pre-screen your child for symptoms of COVID-19 prior to attending their tutoring session each week. All attendees must wear facial coverings as per the public health guidelines. Hand sanitizer is available as you enter the library and/or you may wash your hands in the public washrooms on the first floor prior to your session.

If you cannot attend a tutoring session for any reason, please call the library to notify the tutor. If you run into any issues with booking or if you have any other questions, please do not hesitate to contact the library at 613-267-1224 or email tutoring@perthunionlibrary.ca

Thank you!
