

Summer Services Bingo

Keep track of the Library Services you make use of throughout July & August!

How it Works

There will be 2 prize draws throughout the summer. Monthly draws will take place on July 30th, and Aug. 28th.

Each completed line = 2 entries
Full card = 10 entries

You can enter both draws! Simply submit your card with your progress, then print off a new card & log what you've already done!

Drop your bingo card through the library's book drop before each draw to be entered! Make sure to fill out your contact info!
